

CRAFT KNIFE SAFETY

- 1 Keep knife blades sharp.
- 2 Only use a knife for its intended purpose.
- 3 Use the appropriate knife for the job.
- 4 Don't cut toward your fingers with the sharp edge.
- 5 Always use a cutting mat.
- 6 Cut away from your body.
- 7 Point the knife blade down and keep the cap or cover on the knife when carrying.
- 8 To hand a knife to someone, set it down on a table and let them pick it up.
- 9 Properly dispose of old cutting blades.
- 10 Store the knife properly.
