

ACRYLIC PAINT APPLICATION

STEP 1

Choose an appropriate paint surface
(canvas, panel, cardboard).

STEP 2

Start with a wash of a base color.

STEP 3

Lightly draw the subject and/or large areas
to block off with color.

STEP 4

Begin to block in colors, starting with light
to medium values.

STEP 5

Develop each layer and add color area by area.

STEP 6

Use a wet on dry technique when desired to
avoid color blending when adding additional
values or details.
